

Story Sequencing
for
A Busy Year
by Leo Lionni

The mice gave each other presents.

The mice protected the trees.

The mice build a snowmouse.

The tree was bare.

The tree was full of blossoms and leaves.

The snowmouse melted.

The mice put out the flames.

The wind blew the leaves away.

The branches were full of buds.

The rain and wind came.

The mice took the fruit from the tree.

The mice hung a note on the tree.

Months of the Year
